Tova Art Guide

Welcome!

This is a guide for managing Tova's art website.

Step 1 - Login

1. Open a web browser
2. Go to: https://tova-production-7028.up.railway.app/admin
3. Enter password: Tov@202!
4. Click Login

Step 2 - Dashboard

You will see 5 buttons:
Manage Paintings - Add new paintings
Manage Categories - Organize paintings
Orders - View customer orders
Settings - Change email
View Catalog - See the website

Step 3 - Add a Painting

1. Click 'Manage Paintings'
2. Click 'Add New Painting'
3. Fill in the information:
- Name
- Description
- Price
- Size
- Medium (oil, acrylic, etc)
- Year
- Category
- Image

4. Click Save

Step 4 - Manage Categories

Current categories:
Abstract - colorful and geometric paintings
Nature - flowers, trees, nature paintings

To add a new category:
1. Click 'Manage Categories'
2. Click 'Add Category'
3. Enter name
4. Click Save

Step 5 - View Orders

1. Click 'Orders'
2. You will see customer details
3. Green button = handled
4. Red button = pending

Step 6 - Preview Website

1. Click 'View Catalog'
2. A new window will open
3. This is how customers see your website

Tips

Good photos = beautiful website
Write good descriptions
Update regularly with new paintings
Set reasonable prices

Troubleshooting

Wrong password? Use: Tov@202!
Image not showing? Use JPG or PNG format
New painting not visible? Wait and refresh (F5)
Buttons not working? Try a different browser

You are ready!

Now you know how to:
Add paintings
Organize them
View orders
Preview your website

Good luck with your art website!
